

Downtown Norfolk Civic League
September 21, 2009

Mission Statement:

To be a collective voice of the residents, dedicated to quality of life unique to Downtown Norfolk.

I would like to thank Al Wills for keeping the minutes of the September meeting in my absence.

We have been joined by three new members,two residents and one business.

The PACE officer reports that the Afr'Am Festival was a success and there were not incidents to report.

Rick Henn reports that upon completion of the Monticello Parking Garage,we will see an increase in downtown parking.

Candidates for Norfolk Commissioner of Revenue presented their positions.
